

YOUR BENEFIT FROM RAISING INVESTORS AND CAPITAL

- **Investors bring knowledge to your company**
- **This may bring new partners (BoD) into your company**
- **You expand your network in this respect**
- **You strengthen your negotiating skills**
- **More contacts, more opportunities**
- **With sufficient capital, many things become easier**
- **You become more financially agile**
- **You appear more confident**
- **Your company can prosper**
